CHILD DEVELOPMENT RESOURCES

*Changing the lives of babies, toddlers & their families*

March 21, 2017

Mr. and Mrs. Gary Massie  
J.S.G. Corporation  
P.O. Box 646  
Lightfoot, VA 23090

Dear Mr. and Mrs. Massie,

On behalf of Child Development Resources, thank you for generously supporting our 39th Annual Bid 'n Buy Auction, which was held on March 19. We appreciate so much J.S.G. Corporation's sponsorship payment of \$2,500.00, dated March 13, 2017. This gift will help us secure better futures for children with disabilities and developmental delays or who are at risk for school failure. The auction was a great success and we couldn't have done it without your support. Your organization sets a great example for others in the community!

September 1965 marked the date that we first started reaching out to children who had disabilities or developmental delays, and we are proud of our achievements over these past five decades. With the help of dedicated supporters like you, we have changed the lives of countless children and their families. These babies learn to eat, walk, and talk, and their families learn how to continue the therapies on a day-to-day basis and become their child's best teacher.

We couldn't do all we do without the ongoing help of a caring community of businesses, individuals, agencies and sponsors. Thank you again for supporting our auction!

Sincerely,

Paul F. Scott  
Executive Director
